

Alumni Dispatch

FROM THE *President*

Greetings to the MCPAAA Members;

At our July and August meetings, nominations will be taken for officers of the Mashpee Citizen Police Academy Alumni Assoc. Board of Directors. If you are interested in a position on the Board, please let me know. All positions are open for nominations. You may self-nominate. The following Members of the current Board have agreed to run for another year. Ron Percy, Vice President, Bob Barr, Secretary, and John Campbell, Treasurer.

I have accepted a full time job and unfortunately will not be able to run for the position of President this year, as this job has me working weekends as well as weekdays.

It has been many great years serving as your president of this organization and I have met many wonderful friends and have gained much knowledge as to the workings of a police department. I want to thank Ron Percy, my Vice-President, for being at my side for as many years as I have been President, and Secretary Bob Barr, who has been on our Board also for many years. Thank you to John Campbell for his service as Treasurer this year, and to Vye Larkin, Ginny McIntyre, Evano Cunha for their past service to this Board as Treasurer and Secretary. I couldn't have performed this job without their help.

I would also like to thank Ron Allen, for his support and guidance as my first Liaison to the department. The Members shared many good times with him and to John Dimitres our present Liaison for his support this past year.

Thank you to all the MCPAAA Members for supporting me and this organization through the various assignments the police department called upon us to perform, and for the many fund-raisers that the Members tirelessly participated in to raise funds for the station's needs. It has been an honor to lead this great group since June, 2006.

I will continue to be a member of the MCPAAA, and will assist whenever my schedule allows.

Sincerely;

Kathy Fitzpatrick
President MCPAAA
